Show & Tell

Presented by Lorraine Taylor

BCPTA Kindergarten Conference August 27, 2010

Dear Kindyparents,

Welcome to one of the most important events in your child's day at Kindergarten. Oral language development is one of the large components of the Kindergarten Program. I believe that Show & Tell is one of the most successful ways to engage our children in exciting and meaningful talk.

I am asking for your help as parents, to provide your children with ongoing support throughout the year in this endeavor. You can do this by preparing your child with encouragement and practice at home before his/her Show & Tell time.

During the year I will be changing the theme of Show & Tell on a monthly basis. Stay tuned through our newsletter.

I am including a list of Show & Tell presenters. Please make a note of your child's special day. That day will remain the same throughout the year. Each child will have an opportunity to share once a week.

Our theme for September is:

"Getting to Know Me"

I have sent home a paper bag with your child's name on it. Please help him/her to find 4 or 5 items which s/he can use to tell us a little about her/himself. (I have shown the children my own bag, so they have seen an example).

Have fun with this!

If you have any questions, please see me.

Many Thanks, Mrs. T.
